Using the platform, means that the Customer confirms that he/she is fully informed that independent third-party testing organizations carry out external compliance QA and testing rounds to ensure accurate functionalities, proper display, and flawless processing of transactions, together with the strictest adherence to the legally applicable and mandatory rules and math.
The Return to Player (RTP) rates mean a theoretical calculation of the expected percentage

concerning the wagers that a specific game will return to the Customer after a reasonable amount of gaming rounds and/or spins. That is to say, while the gameplay and outcomes can never be predicted or foreseen - and the Customer can both win or lose large amounts of money - the average return of any game will universally be reflected by its theoretical RTP indicator. An RTP indicator is calculated either via theoretical calculations or on the basis of virtual approaches fitting the method of the particular type of game. By playing any game, the Customer explicitly agrees to that.

12. The Customer taking part in the Casino's games and bets realizes and agrees that the result of such activities is determined by a random number generator only. In addition, the Customer accepts the fact that, in the unlikely event of discrepancies between the results displayed on the screen and the results recorded by the server, the game server will take precedence. Thus, the Customer agrees that the tech records kept by the server will be the ultimate source to determine any conditions, circumstances, and game results.
13. The Customer can get in touch and communicate with the Customer Support Service. The Customer can discuss any questions he/she might have via both an Live chat or email at support@1xCasino.com.

4.1. Promotions

BONUSES

1. Any bonus is viewed and treated as a special deal between the Casino and the Customer. Under this deal, the Casino provides the Customer with certain funds to be used for playing and placing bets. At the same time, the Customer assumes full responsibility to meet the wagering requirements before he/she can request to withdraw his/her respective funds.
2. The Casino's bonuses might imply special the Terms of Service. That is why the Company urges the Customer to read the Terms of Service carefully, in order to stay informed to the fullest extent possible and prevent any misunderstandings.
3. Bonuses can be used exclusively by a single individual Customer, via a single unique device, at a single IP address, and via the same single Internet browser.
4. Any individual account is permitted to have only one single activated bonus at a time. Deposit-specific bonuses are not of the cumulative type. Hence, they can only be used in the order of precedence, i.e. one after another. That is to say, the Customer's next bonus becomes available only after his/her preceding bonus is already revoked or, alternatively, redeemed.
5. Bonuses provided by the Casino are exclusively available only to the Customer who has already entered all the required personal data via his/her Account. The Customer's telephone phone number must be activated as well. The Customer is also required to agree to the Terms of Service of the bonus program during the registration process. The minimum amount of the Customer's deposit needed to take part in the bonus program is contingent on a particular bonus.
6. As for the Customer's bonus amount, it is placed into his/her Bonus Balance. It means that the bonus amount will be separated from the Cash Balance.
7. Both the Customer's bonus and winnings generated with it will be lost as soon the bonus expires. The typical validity period associated with bonuses lasts for 30 (thirty) days starting from the day of crediting. The Customer is responsible to carefully study the Terms of Service of any given bonus.
8. As for the validity periods of various bonus freespins, the time frames depend on particular providers. Hence, they are not and cannot be regulated by the Casino.
9. The Casino reserves the right to alter the Terms of Service related to all the bonuses, to

- temporarily suspend them, or even indefinitely terminate them at any moment in time.
10. The General Terms of Service stipulated by the Casino always apply with no exceptions.

REQUIREMENTS RELATED TO BONUS WAGERING

1. While playing with an activated bonus, the Customer is authorized to place his/her bets with funds from both his/her bonus account and the main personal account. At the same time, the Customer needs to be aware of the fact that having an active bonus on his/her account prevents him/her from withdrawing money. Such requests are declined until the requirements related to bonus wagering are fully complied with. Alternatively, the Customer may reject bonuses available to him/her.
2. As for redeeming a bonus, the Customer is ought to place a required amount of money in bets. Unless it is explicitly stipulated otherwise by the bonus Terms of Service, the Customer is to place enough bets to reach the total bonus amount multiplied by a specified number of times. That is to say, the rule is as follows: $\text{wagering requirement} = \text{bonus amount} \times \text{required number of times}$
3. Any deposit bonus is subject to being redeemed by wagering a corresponding bonus amount.
4. Until the Customer's bonus is redeemed, the stakes are not allowed to be higher than €5.
5. Once the Customer's bonus has been redeemed, the main personal account is to be credited with the remaining bonus funds. They cannot exceed the Customer's total bonus amount. In case the Customer's bonus account balance is still below the minimum possible stake after his/her bonus becomes redeemed, such a bonus is treated as a lost one.
6. All bets place in the games under the categories of Table Games, Baccarat, Roulette, Blackjack, Keno, Scratch, Bingo, Poker, and "Others" are not subject to the wagering rule. The applicable list of games, excluded from bonus offers, can always be downloaded by the Player p. 25.2. In addition to the explicitly excluded games, that range also covers all the games taking part in any tournament at the moment the wageing takes place. The Casino reserves the right to impose restrictions concerning any possible participation in individual bonuses. All the relevant information can be found on the individual bonus cards in the "Bonuses and Gifts" section.
However, please note that this list may be subject to change from time to time. To find out the most recent list of games, please contact Customer Support at support@1xCasino.com
7. The Customer is authorized to request for withdrawal before his/her bonus becomes redeemed. At the same time, in this case, both the bonus amount and the winnings received while redeeming this bonus are subject to cancellation.
8. Any winning obtained with bonus funds and requested to be withdrawn will be checked and verified by the Casino. It is only after that when such payments can be processed. In some cases, that are conditional to the results of a verification process, the Casino has the full right to and will request personal data from the Customer and additional details to confirm his/her payment methods.

CANCELLATION OF BONUSES

1. The Customer has the full right to give up all the bonuses or any single bonus promotion. It can be done via contacting the Casino's Customer Support at support@1xCasino.com, through an online chat, or by taking the necessary measures in their Personal Accounts.
2. If the Customer rejects or wishes to cancel a bonus, the corresponding bonus balance will become 0 (zero). As a result, the Customer is no loner required to meet wagering requirements.
3. The Customer has the right to stop continuing to meet bonus wagering requirements. It can be done in the Customer's Account. It should be noted that if a bonus is declined after being partially redeemed, any winnings made while redeeming such a bonus are subject to cancellation.

ABUSE OF BONUSES

1. The Customer is strictly prohibited from abusing bonuses. As for the definition of “abuse” in this context, the following ratios of bonuses received, in their relation to deposits, are defined as abuse. 70% bonus funds obtained on between 5 and 9 deposits; 50% bonus funds obtained on 10 or more deposits. If any kind of abuse takes place, the Casino has the full right to ban the Customer from obtaining any bonuses. It can also annul any winnings received with bonus funds both in the course of wagering and after it ends.
2. The Casino is always fully authorized to examine and scrutinize transaction histories and the Customer's accounts and logs at any moment and for any reason. If such checks detect any kind of bonus misuse done by the Customer, the Casino reserves the full right to nullify the bonuses provided by the Customer.
3. If the Casino detects that the Customer resorts to the gaming strategies prohibited by the Casino when redeeming a bonus, the Casino reserve the right to take penalty measures and exclude the Customer from both currently available promotions and all the future ones.
4. The following are some of the examples of possible strategies viewed as prohibited by the Casino when it comes to clearing bonuses' wagering requirements:
 - Placing high volume of bets without any serious impact on the Customer's balance. This strategy can be exemplified by placing bets on every roulette number or placing bets on red and black simultaneously.
 - Placing big bets (i.e. those exceeding €5 (five euros)) with the goal to increase the Customer's bonus balance quickly and then seriously reducing the volume of stakes made (i.e. over twofold) for no clear reason while having an appropriate account balance. Each of the aforementioned cases will be thoroughly examined by the Casino.
 - Betting big in those games that presuppose a low contribution (i.e. stake percentage that counts towards the requirements related to wagering) and then betting small in those games that presuppose a larger contribution
 - Postponing any game round, concerning bonuses and freespins, to a later moment while facing no wagering requirements and/or imposed limits on making new deposits, with freespins and bonuses being still available
 - Any combinations of the aforementioned gaming techniques and strategies.
5. Whenever any case of bonus abuse committed by the Customer is revealed and identified, the Casino has the full right to take the following measures: canceling and nullifying all available bonuses together with winnings generated from those bonuses as well as blocking the Customer's account completely.
6. The Casino recommends the Customer to enter his/her real phone number while registering: the Casino may use it later to confirm the Customer's true identity. In case it turns out to be impossible to contact the Customer, the Casino has the full right to restrict the Customer's use of bonuses and even totally block his/her personal account.

TENTH DEPOSIT WITH THE 50% BONUS ON IT

1. In case the Customer switches between different types of bonuses (although he/she has already made a choice), drop them, or get an opposite sort of bonus, such users cease to be entitled to take part in the Casino's bonus offers covering their subsequent deposits. This rule fully applies to welcome packages as well as to a 50% 10th deposit bonus.

It is noteworthy that the deposit itself is not taken into consideration while calculating the number of freespins to be granted. Freespins are granted within 15 (fifteen) minutes after the deposit is made (to actually get freespins, the Customer must simultaneously meet all requirements of the Casino's bonus offer in their entirety).

GIFTS

1. A gift must be understood as a special sort of bonus. As such, it requires no deposit and is exclusively available to those Customers who agree to take part in the bonus offers made available by the Casino.
2. At the same time, some special Terms of Service may be applied to such gifts. That is why the Casino urges the Customer to carefully examine those Terms of Service before activating available gifts (such Terms of Service may describe bonus amounts, requirements related to wagering, etc.). The Customer should visit the corresponding section of "My Account" to read those Terms of Service so that complete information regarding gifts can be obtained and avoid

any possible misconceptions, miscommunications, and misunderstandings.

3. At any moment of time, only one single gift per one gaming account is allowed to be active. Hence, gifts are not subject to accumulation. Consequently, gifts can only be used on the basis of the so-called "queuing principle". That is to say, every next gift becomes available only after the preceding one becomes redeemed. Alternatively, the preceding gift may also be either canceled or suspended during wagering.
4. Any gift, together with any winnings obtained using it, will be lost once this gift has expired. If the Customer wants to be sure about the applicable validity periods, he/she should visit the 'My Account' page (which can be found under the "Bonuses and Gifts" website section). Any gift becomes active starting exactly from the moment it is awarded to a Customer. Please note that suspending the wagering bonus will not extend the validity period of a gift offer made available.
5. Even while having an activated gift, the Customer has the right to place his/her bets with the funds available with their main accounts.
6. All the Casino's Terms of Service in their entirety, including all the other Terms of Service of the Casino's bonus policy always apply as long as they do not contradict the aforementioned stipulations.

4.3. Errors Or Omissions

1. If both the software and hardware used by the Casino start to malfunction, the Casino will resort to reasonable measures to solve the problem and address its consequences as soon as possible. If problems of this sort interrupt any game to the extent that the Customer cannot restart the game from precisely the very moment it has been interrupted without incurring irreversible data losses, the Casino will pursue the most adequate, reasonable, and just policies to handle such a situation.
2. If, as an outcome of a technical error, any funds are added to the Customer's account and he/she places bets with such funds or somehow participates in the games made available by the Casino with such funds, the Casino reserves the full right to nullify and cancel such bets. the Casino is also authorized to withhold any winnings stemming from such funds. When the Casino pays winnings received as an outcome of such bets or games, the Casino has the full right to request the Customer to have them returned.
3. Whenever the Customer accesses services provided via the Internet, he/she shall fully understand that:
 - It is always possible that the Customer may face system issues, service malfunctions, defects, or errors of any other sort. If the Customer faces any technical issues, should reach out to the Casino's Support Service via e-mail support@1xCasino.com;
 - As for the Customer's success in promotions which are carried out at speed, it is directly related to and dependent on the equipment used by the Customer and the quality of his/her connection to the Internet;
 - All the rules, with no exception, related to any game and promotion are constantly available. At any moment, the Customer can review and revisit them. the Casino urges the Customer to read them attentively and thoroughly before they begin to play the games and use the Services made available by the Casino.
4. In case the Customer places a bet related to a live event, this Customer might not be in the right position or location to see or otherwise receive the latest information regarding this event within a relevant space of time. the Casino cannot be held liable for any losses and shall not be expected to compensate for any losses incurred as an outcome of a delay related to the transmission of digital data covering such events.
5. By starting to play any game made available by the Casino, the Customer assumes full and sole personal responsibility for the speed and quality of his/her connection to the Internet as well as for the technical condition and efficiency of the equipment used to get access to the internet. the Casino explicitly rejects any liabilities for any losses the Customer incurs (as an outcome of service issues, poor connection, weak signals, loss of service, or otherwise) because of their internet service providers or telecom providers.

4.4. Force Majeure Events

1. The Casino cannot be held liable or anyhow responsible for any failure to perform or for delaying to perform any of its functions and obligations, stipulated by these Terms of Service, if such a situation arises from any events taking beyond reasonable and exercisable control. These events include, without limitation, any technical issues and interruptions concerning the telecom networks the Casino and the Customer depend on; issues with electricity supply; issues with PCs, smartphones, tablets, or any other gadgets that belong to any third parties; fires, lightning, and storms; explosions; floods, extreme snowfalls, and other extreme weather conditions; strikes, riots, blockages, mutinies, civil unrests, military actions, or any relevant acts of sovereign governing bodies or other competent authorities (i.e. "Acts of God" or "Force Majeure").
2. If a Force Majeure period starts and an Act of God takes place, the Casino's functions are automatically viewed as entirely suspended for the entire duration of this period. As for the

Casino, it will attempt to use any endeavors, within a reasonable framework, to effectively deal with the consequences of such Force Majeure events. The Casino will also attempt to identify a way by which the obligations may be fulfilled in spite of the Force Majeure event and its practical consequences.

3. The Casino so affected shall be relieved of liability to the Customer for a failure to perform or for delay in performing its obligations, but will use all reasonable endeavors to resume full performance thereof. The Casino is not obliged to notify the Client about the occurrence of Force Majeure circumstances, but posting on the Casino website about the occurrence of these circumstances will be considered sufficient to notify the Client.

5. FAIRNESS & RNG TESTING METHODS

Online gambling should be fair. And while this requires players to behave honestly and without malicious intent, it is the responsibility of casinos to take all necessary measures to ensure that players can enjoy the game in fair and safe conditions.

5.1. DEFINITION OF FAIR CASINOS

A “fair casino” is an online casino that:

- pays out all legitimate winnings;
- does not include unfair terms in its Terms of Service;
- does not resort to deceptive practices to cheat players;
- prevents access from restricted countries (does not allow players from certain countries to create an account or play) and only grants bonuses to those players who can use them.

Even casinos with fair rules and a good approach to gambling can engage in dubious practices for players. In some cases, players may ignore certain rules and inadvertently break them, even though the rules are fair in opinion. That is why casinos should ensure compliance with all rules using technological means to prevent players from unintentionally getting into trouble.

5.2. DEFINITION OF FAIR AND SAFE CASINOS

Fair and safe casinos like 1xCasino.com operated by Caecus N.V. are those that meet all the criteria of “fair and safe casinos” and have also implemented measures that prevent players from accidentally breaking the rules or doing something that harms their own interests.

Therefore, “fair and safe casinos” should prevent players from violating the general Terms of Service, bonus Terms of Service, or any other rules that could jeopardize the money they have in their account. In particular, “fair and safe” casinos should:

- ensure compliance with maximum bet amount limitations, restricted games, and other bonus conditions;
- warn players that they are about to do something that could be detrimental to them (such as accepting a bonus that could void the winnings of the previous bonus);
- check for multiple accounts when creating an account (we suggest checking the database for a combination of the new player’s name and date of birth and displaying a warning if any results are found; we will discuss this in more detail below).

Fair casinos like 1xCasino.com operated by Caecus N.V. works only with trusted software providers in the field of gambling.

Except for LIVE casino games, to ensure the integrity of our casino games, a Random Number Generator (RNG) is always used to determine the random outcome of such games.

This is a standard industry system that ensures consistently random results which have also been extensively tested by running and analyzing thousands of game rounds. The randomness of the RNG provides a credible and fair gaming environment.

We cooperate with gambling regulatory authorities and online gambling licensing organizations with the intent of ensuring our compliance with the legislation of relevant jurisdictions.

All Customers are subject to mandatory identity verification procedures. As part of the account registration process, the Customer is required to provide the following basic identifying information:

- Full legal name;
- Date of birth;
- Country and full address of permanent residence.

This information is necessary to establish a lawful business relationship and to determine the Customer's eligibility to access and use the Services.

All Customers are subject to mandatory identity verification procedures. The Company may request, at its sole discretion and depending on the Customer's risk profile, the following documentation:

- A valid government-issued photo identification document (such as a passport, national ID card, or driver's license);
- Proof of residential address (e.g., a utility bill, bank statement, or government-issued correspondence, dated within the last 90 days);
- A recent selfie or live video to confirm that the submitted ID belongs to the registered individual;
- Documentation or declarations confirming the source of funds or source of wealth, particularly in cases involving high-value transactions or increased risk indicators.

The Company applies both initial and ongoing Customer Due Diligence (CDD) procedures. For Customers identified as presenting higher risk, Enhanced Due Diligence (EDD) measures will be applied. This may include transaction monitoring, additional verification steps, and restrictions on account activity.

3. Transaction Monitoring and Risk Controls

The Company actively monitors all financial and gaming activity on the Website using automated and manual methods. This includes:

- Screening transactions for signs of structuring, layering, or unusual behavior;
- Blocking deposits or withdrawals in cases of suspicious activity;

The Company also screens Customers against sanctions and watchlists and retains the right to suspend, freeze, or close any account associated with illegal conduct.

4. Suspicious Activity and Regulatory Reporting

In cases of suspected unusual, inconsistent, or potentially prohibited activity, the Company may take appropriate measures to ensure compliance with its internal policies, applicable local laws, and anti-money laundering and counter-terrorism financing (AML/CFT) requirements. Such measures may include temporary restrictions on account access, extended transaction processing times, or requests for additional information or documentation to verify the Customer's identity, the source of funds, or the nature of the activity. These actions are aimed at protecting both the Customer and the integrity of the platform, and are carried out with due regard to regulatory standards and legal obligations.

5. Customer Obligations

By using the Services of the Company, the Customer confirms that:

- They will not use the platform to engage in or facilitate any activity involving illegal funds;

- They agree to promptly provide any documents or information requested in the context of AML/CTF compliance;
- They understand that failure to cooperate or providing misleading information may result in account restrictions, suspension, or termination.

6. Record Keeping

This policy is aimed at ensuring the lawful use of our platform, the prevention of fraud, identity misuse, money laundering, and the financing of terrorism, in accordance with applicable legal and regulatory standards.

1. Purpose of KYC Measures

KYC procedures are implemented to:

- Verify the identity of each Customer;
- Ensure that all funds used within the platform originate from lawful sources;
- Prevent the platform from being used for criminal or fraudulent purposes;
- Comply with relevant anti-money laundering (AML), counter-terrorism financing (CTF), and regulatory obligations.

- Date of birth;
- Permanent residential address.

Depending on the nature, frequency, or size of transactions, the Company reserves the right to request additional information and supporting documentation in Company's sole discretion.

Furthermore, certain transactions may be subject to enhanced due diligence procedures to ensure compliance with applicable regulations.

All documents submitted must be clear, valid, unaltered, and verifiable. In case of doubt, the Company may request notarised documents or conduct further checks, including biometric verification or database screening.

3. Triggers for Additional Verification

Enhanced verification measures may be applied in the following cases:

In such cases, the Company may request documentation confirming the source of funds or wealth, additional identity documents, transaction history, or banking information. All data may be subjected to real-time screening tools and risk profiling.

4. Ongoing Due Diligence and Monitoring

KYC is not a one-time requirement. The Company implements continuous monitoring of Customer activity, including:

- Regular updates to Customer information;
- Transactional behavior analysis;
- Re-verification upon significant changes (e.g., change of address, payment method, or jurisdiction);
- Application of enhanced due diligence for high-risk accounts or behaviors.

Where necessary, the Company reserves the right to suspend or restrict account functions pending completion of additional due diligence procedures.

- Suspend or restrict account access;
- Freeze deposits, withdrawals, or gameplay;

The Company shall not be liable for any losses or delays resulting from such action where it is necessary for compliance with its regulatory obligations or the protection of the platform.

Where fraudulent activity, misrepresentation, or the use of falsified documents is suspected, the Company may:

- Block or permanently close the Customer's account;
- Cancel pending payments and transactions;
- Launch an internal investigation and involve competent external authorities;

Any such actions will be proportionate, documented, and based on objective findings. The Company will take all reasonable steps to ensure confidentiality and legal compliance during such processes.

7. Document Validity and Security

Gambling, for the majority of our Customers, means entertainment, fun and excitement. But we also know that for some of our Customers gambling has negative side effects. Pathological gambling has long been recognized by medical science as a serious illness.

Since our first day we have thought about this problem and try our best to help. Under “Responsible Gambling” we understand multiple steps of measures, with which a gambling provider can help to lower the possibility of negative side effects appearing. -In case they already appear we also try to take active steps against them.

The most important instrument against negative side effects from gambling is knowledge and education about the risks of gambling to support our Customers self-control in order to make sure they do not suffer from negative side effects.
